

St Andrews Landcare

Weed workshop

**Are you struggling to identify or control weeds
on your property?**

**Then join us for a
free weed identification and
weed control workshop**

When: Sunday 11th November at 10.00 – 3.00

Where: St Andrews Hall (at the Market site)

Who: Weed experts: Acacia Environmental

RSVP: standrewslandcare@outlook.com by **Friday 2nd Nov**

**Morning tea and lunch provided
Numbers are limited so book early**

By the end of the workshop you will be able to identify priority weeds, and know how and when to control them.

You will take away Personal Protection Equipment (suit and mask) and a weed management booklet.

Funded by DELWP Community Skills Development Grant
